

**Territorial management and planning in Galicia:  
From its origins to end of Fraga administration, 1950s – 2004**

**Introduction**

1. <b>Goals</b> .....	1
2. <b>Structure of the thesis</b> .....	5

**Chapter 1, Methodology and sources**

<b>Introduction</b> .....	7
1. <b>Sources</b> .....	8
1.1 <u>Published material</u> .....	8
1.2 <u>The Internet</u> .....	9
1.3 <u>Fieldwork</u> .....	11
a) <i>Case study area: Bueu</i> .....	11
b) <i>Sampling and questionnaires</i> .....	13
c) <i>Interviews</i> .....	14
d) <i>Direct observation</i> .....	16
2. <b>Methods of analysis</b> .....	17
2.1 <u>Stationary analysis: analysis of the territorial structure</u> .....	17
2.2 <u>Dynamic analysis: analysis of the human appropriation and perception of the territory</u> .....	17
2.3 <u>Territorial imbalances and restructuring processes</u> .....	18
3. <b>Methodological and data collection difficulties</b> .....	19

**Chapter 2, Theory and concepts (literature review)**

<b>Introduction</b> .....	20
1. <b>The nature and concept of territorial management</b> .....	21
2. <b>The implementation of territorial management: territorial planning</b> ....	25
2.1 <u>The (general) theory of territorial planning</u> .....	25
2.2 <u>Constructing a territorial (development) plan</u> .....	26
3. <b>Approaches to contemporary Iberian territorial management: towards strategic and integrative planning</b> .....	30

3.1	<u>The origins of territorial management and planning</u> .....	30
3.2	<u>Constructing the contemporary Iberian/Galician planning</u> .....	31
3.3	<u>Debates on strategic planning: the future of territorial management?</u> ....	34
4.	<b>The planners: moral implications and the achievement of the ‘good’</b> ....	37
5.	<b>Territorial management and the European Union</b> .....	43

### **Chapter 3, The administrative and territorial structure of the Spanish state. Galicia within its framework**

	<b>Introduction</b> .....	47
1.	<b>Historical approach: the intricate nature of ‘Spain’</b> .....	49
2.	<b>The Spanish state today</b> .....	51
2.1	<u>The Spanish second Republic and the Federalist agenda (1931-1939)</u> .....	51
2.2	<u>The Francoist dictatorship (1939-1975)</u> .....	52
2.3	<u>The post-Franco period (1975 onwards)</u> .....	54
a)	<i>The Transition period (1976-1985)</i> .....	54
b)	<i>Territorial implications of the 1978 Spanish Constitution</i> .....	55
3.	<b>The ‘autonomic system’ or ‘state of the autonomies’</b> .....	57
3.1	<u>Rupture with Franco’s model: avoiding the ‘region’; Self-government</u> ..	57
3.2	<u>Constructing the new ‘State of the Autonomies’: Devolution</u> .....	59
4.	<b>Galician peculiarities</b> .....	63
4.1	<u>Galicia’s organisation and extended powers</u> .....	63
4.2	<u>Present key territorial tiers</u> .....	65
a)	<i>The ‘provincia’ (province)</i> .....	66
b)	<i>The ‘comarca’ or ‘bisbarra’ (region)</i> .....	68
c)	<i>The ‘concello’ (municipality)</i> .....	70
d)	<i>The ‘parróquia-lugar’ (parish-townland)</i> .....	72
5.	<b>Summary</b> .....	73

### **Chapter 4, Origins and evolution of territorial management and planning in Galicia (1950s to present); Structural problems**

	<b>Introduction</b> .....	74
1.	<b>Origins (1950s-1960s): first land-consolidation attempts and the growth poles</b> .....	76
2.	<b>Growth pole failure and the regime change: the 1970s</b> .....	79

3. Rupture of the traditional model: modernisation and counter-urbanisation in the 1980s; The <i>feísmo</i> (ugliness).....	82
4. New paths for Galician territorial management: current controversies and envisaged territorial models (1990s to present); The vision of a renewed garden-city.....	89
5. Conclusion.....	92

## **Chapter 5, Contemporary key spatial plans and policies (1985 to present)**

<b>Introduction</b> .....	93
1. <b>From LASGA (1985) to <i>Lei do Solo</i> (1997 and 2002)</b> .....	94
1.1 <u>The formulation and shortcomings of LASGA (1985)</u> .....	94
1.2 <u>Reformulating LASGA: the <i>Lei do Solo</i> (1997)</u> .....	96
1.3 <u>The <i>Lei do Solo</i> (2002)</u> .....	98
2. <b>The <i>Plan Director de Infraestructuras</i> – PDI (2001-2010) and the <i>Directrices de Ordenación Territorial</i> (DOT)</b> .....	102
2.1 <u>Infrastructure provision in Galicia: assessment and environmental issues</u> .....	102
2.2 <u>The <i>Plan Director de Infraestructuras</i> – PDI (2001-2010) and the <i>Directrices de Ordenación Territorial</i> (DOT)</u> .....	109
3. <b>The <i>Eixo Atlântico</i> and the Galicia-North Portugal Euro-Region</b> .....	113
3.1 <u>Characteristics of the Galicia-North Portugal Euro-Region</u> .....	114
3.2 <u>The construction of the Galicia-North Portugal Euro-Region</u> .....	115
3.3 <u>Projects, challenges and developmental tools</u> .....	117
4. <b>The <i>Plan de Desenvolvemento Comarcal</i> – PDC. A spatial reform?</b> .....	119
4.1 <u>Origins, definition and goals of the PDC</u> .....	120
a) <i>Origins of the PDC</i> .....	120
b) <i>Definition of the PDC</i> .....	120
c) <i>Theoretical goals of the PDC</i> .....	121
4.2 <u>Technical aspects, design and delivery of the PDC</u> .....	123
a) <i>Legal background and design of the PDC</i> .....	123
b) <i>Sponsored bodies</i> .....	126
4.3 <u>Controversies behind the PDC</u> .....	127
a) <i>The Mapa Comarcal (map of the comarcas)</i> .....	127
b) <i>The importance of the comarcas and the role of the province</i> ....	129

5. *The Plan Estratégico de Desenvolvemento Económico de Galicia – PEDEGA (2000-2006) and the Plan Galicia (2004)*.....132

**Chapter 6, Recent and current local spatial policies and plans. The case study of the concello of Bueu**

<b>Introduction</b> .....	135
<b>1. Key official policies: the <i>Normas Subsidiarias del Planeamiento</i> – NSP (1988) and the <i>Plan Xeral de Ordenación Municipal</i> – PXOM (2004)</b> ....	137
1.1 <u>The <i>Normas Subsidiarias del Planeamiento</i> – NSP (1988)</u> .....	137
1.2 <u>The <i>Plan Xeral de Ordenación Municipal</i> – PXOM (2004)</u> .....	138
<b>2. Popular responses: the balance between promise and performance</b> .....	142
<b>3. Summary</b> .....	149
<b><u>Conclusions</u></b> .....	151
<b><u>Glossary</u></b> .....	i
<b><u>Bibliography and Sources</u></b> .....	ix
<b>Books and articles</b> .....	ix
<b>Sources</b> .....	xxxix
<u>Printed sources</u> .....	xxxix
a) <i>Galician sources</i> .....	xxxix
b) <i>Spanish sources</i> .....	xxxix
c) <i>European sources</i> .....	xxxix
d) <i>Atlases and maps</i> .....	xxxix
<u>Electronic (Internet) sources</u> .....	xxxix
a) <i>Galician sources</i> .....	xxxix
→ Official documents and websites.....	xxxix
→ Newspapers (online and online editions of printed newspapers).....	xxxix
→ Other (miscellaneous) Galician Internet sources.....	xxxix
b) <i>Spanish sources</i> .....	xxxix
c) <i>European sources</i> .....	xxxix
d) <i>International and miscellaneous sources</i> .....	xxxix
<b><u>Appendix</u></b> .....	xxxviii
